Summer camp in Yundola 2022 year

Day 1 Full of emotions and first impressions.

We enjoyed the good weather among the green meadows. We walked to the "Mushroom House". On our way we picked flowers and delicious wild strawberries. The evening continued with a campfire where the children met and greeted each other. There was lots of singing and dancing!

Day 2. Today, in our second hike to the "St. Petka" chapel, we were real trackers, following the right tracks, we found a real golden treasure - of delicious candies and we had fun from the heart with fun games in nature!

Our day ended with a campfire and "Yundola is looking for talent".

On the 3rd day, we visited the "Starina" area and met the pony Dilayla!

Today, very imaginative children created beautiful pictures from natural materials!
Each team performed excellently and the prize was a summer hat!

More moments from today - a group of "Dolphin" and "Goldfish" visited the forest reserve, where they observed a herd of mouflons, roe deer and deer. On our way we found delicious strawberries and blueberries!

Day 4th hike to "Pasovi skali"

Pajama party with fun games and disco at the evening!

Day 5th hike and fun games in tourist complex "Andela"!!!

Carnival! Happy Carnival!

Day 6th, the last day of the summer camp of "Kalina Malina". After 6 days of games and adventures, we end the camp with competitive games and say: "See you again!".
