TOP 10 School Wastes

1st Special Nursery school of Patras, Greece

USED A4 PAPER

We use the other side of it

LEFTOVERS OF COLOR PAPER

Make new collages for color mixing

TOILET PAPER ROLLS

Use them to do new crafts

PLASTIC BOTTLES' CAPS

Collect them and give it to plastic companies. They give us back materials for the school.

FOOD LEFTOVERS

Put them in the compost box

EMPTY PENS

Use them to do new crafts

BROKEN FURNITURE

Repair them!

SEEDS OF THE SNACK FRUITS

Plant them in the school yard and see them grow!

USED PACKAGE

Put them in the proper recycle bin or new crafts

TREE BRANCHES

Make new crafts (like the one we brought you!) We wet them, make the mobile, paint them and let them dry in the sun.
