Our motto is:

Nature – Nutrition - Presence

Nature

We encourage students to respect nature and enjoy it

Nutrition

One of our main goals is to offer our student healthy nutrition. We enjoy our food where ever we go. We teach our students to show responsibility and not waste food.

Presence

- ▶ Yoga is a big part of our daily routine
- ▶ We practice yoga where ever we go
- ▶ We use Yoga to teach children self awareness

We are an Eco school and have received the green flag 5 times.

What do we do? We:

Compost – categories of trash – plant – recycle – reuse – save electricity – dont waste food – save water, soap and towels – have exchange clothing marcet – save paper – clean op the trach around our playground- etc.

RESILIENCE is the syntoms of the staff and the work in Akrasel

Happiness and joy

The children always come first
Ideas and the development are always in the benefit of the child.
There is a high respect for all individual at our preschool.
