

REDUSE - NORWAY

WOW 4TH LTT MEETING IN BULGARIA

PRE- AND
POST TEST

Children aged 1-2
years old

Focus on knowing
symbols

No pre/post test were
done

5 important colors

Flowers around us

We talked about flowers,
colours and smell

Why they are important

What can we use to sow
flowers in

Sowing flowers

Water

We collected
rainwater

We played with water
inside and outside

We did water art

Water

Fabric bag

Every child has their own kindergarten bag

Wet or dirty clothes goes into the bag and back home

The parents bring new clothes to kindergarten the next morning

Very good way to reduce the use of plastic bags we used before

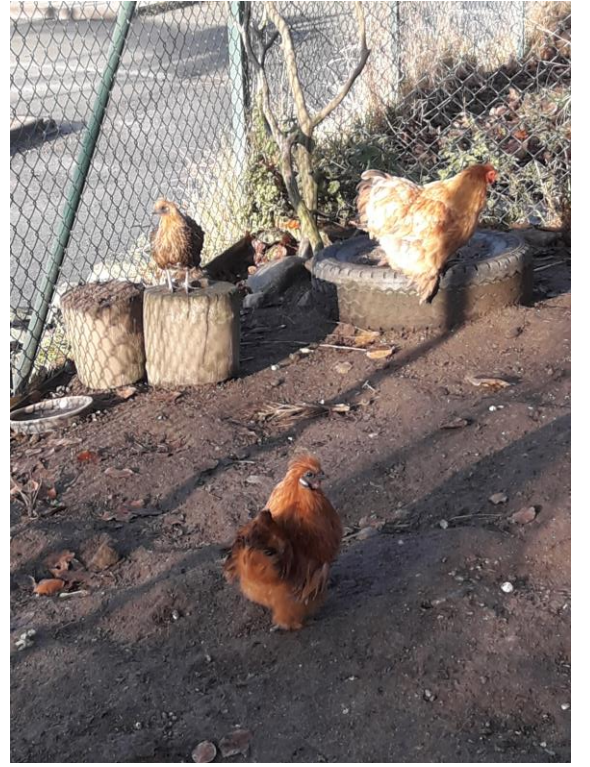

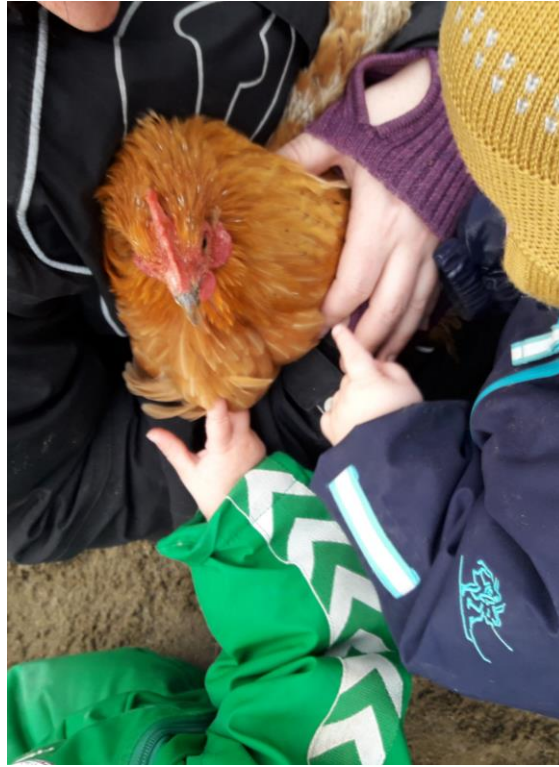

Food for
animals

In the kindergarten we have
rabbits and hens

We give them leftovers from
bread, fruit and veggies

We visit sheep's nearby and
give them bread

Feeding animals with leftovers

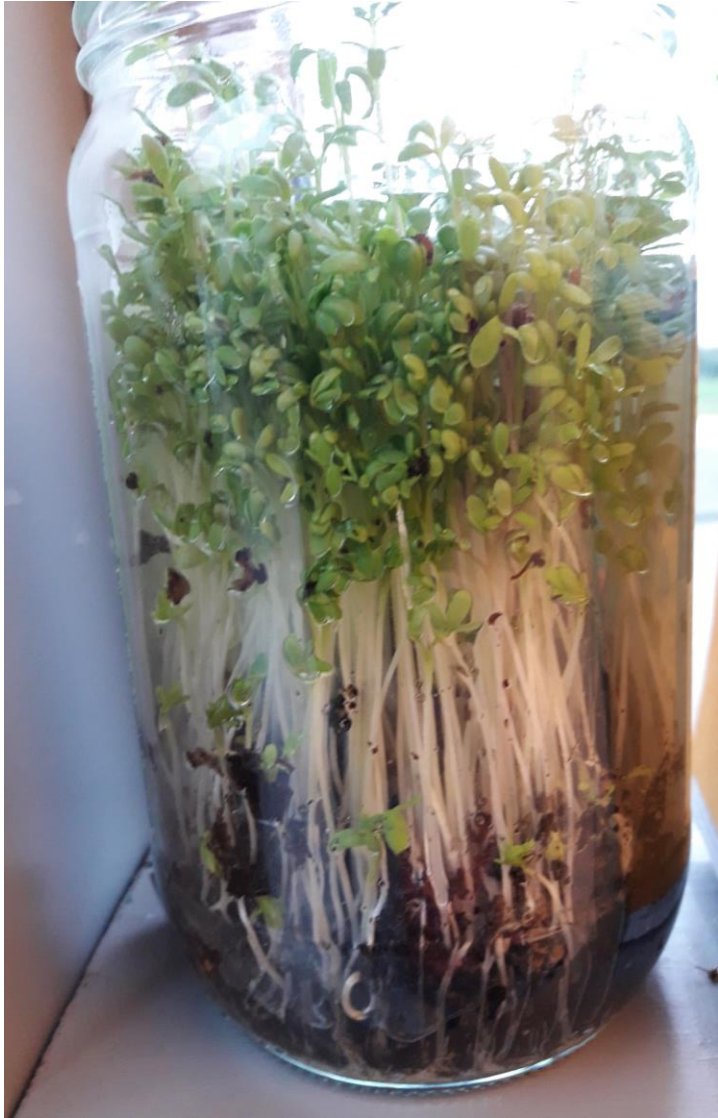

Greenhouse

We used plastic bag on window

We used jars as greenhouse

Self-grown
food

We`ve grown many
different veggies

We have a fruit garden

We have a small potato
field

Re-grow veggies – big fun, good taste

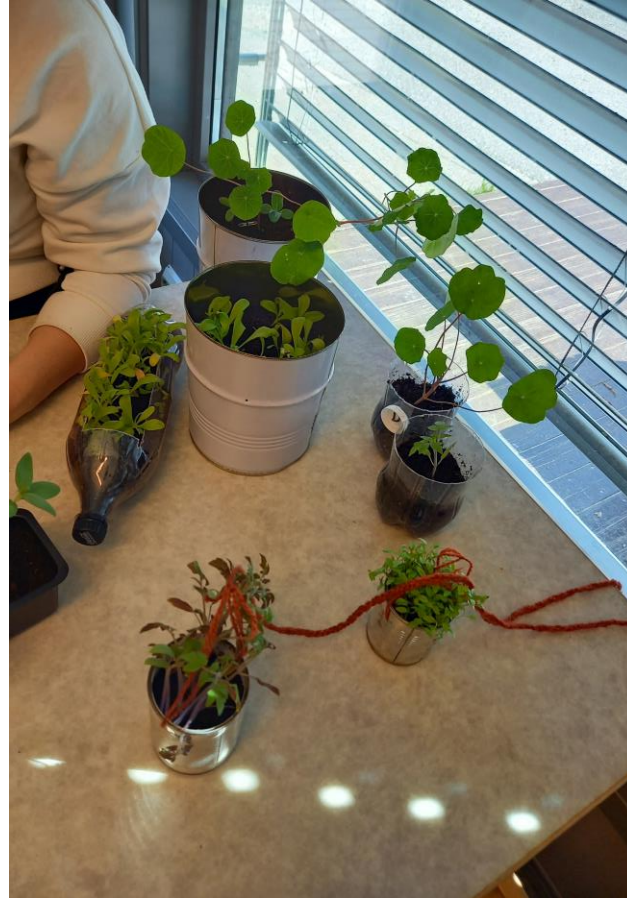

Sowing in different used containers

Milk
cartons

Can

Plastic
bottle

Car
wheels

THANK YOU

FOR YOUR ATTENTION
