HAUGLAND GARDSBARNEHAGE

HAUGLAND
GARDSBARNEHAGE

About the kindergarten:

- Owner and history
- In a modern farm
- 39 children 0-6
- 11 employed
- Our profile
- Nordplus – Today a child – tomorrow a leader (together with Akrasel)
- Erasmus+ – Eco Farm Kindergartens (together with Nidi Corte Verde)

Our profile – special focus on food

- From soil to the table*
- Untravel, short travel, long travel food*
- To see and to taste*
- New experiences*

Other important focus:

- Language
- Social skills
- Cos
- Marte Meo

Our top 10 waste:

How to reduce or replace

- Milk carton – wash, fold together, deliver to recycle
- Food waste – offer less portions to reduce
- Cans – deliver to recycling, use as storage, use in art activity to replace
- Paper towels – be aware when children use paper to reduce the use
- Battery – reduce by choosing long lasting and good quality and also recycle
- Diapers – say yes to parents who wants washable diapers
- Electronic devices – deliver back to electronic stores
- Glass – reuse for cooking, storage, art activities
- Plastic – replace with boxes like Tupperware etc. Bag for wet clothes instead of sending home in plastic bag
- Drawing sheets – offer smaller white sheets, use both sides to reduce

What we have done so far:

- The flower need water to become a flower
- Building a compost
