ECOLOGICAL ACTIVITES CONDUCTED at KEZBAN MERCAN ANAOKULU during COVID-19 Period

Co-funded by the
Erasmus+ Programme
of the European Union

MARCH 2020-SEPTEMBER 2021

- Following the pandemic started in March 2020, kindergartens were closed down between 15th March and 1st June. Distance education started: 1 hour a day, 5 days a week.
- It was kept open between 1st June and 1st July 2020. However, very few children attended our kindergarten: only 5-6.
- Summer break for 8 weeks between 1st July and 1st September
- All kindergartens were open bet. September 2020 and June 2021 though few children regularly attended: about 25 children in KMA.
- From May 2021, the number of children attending KMA started to increase.
- Summer school was organized bet July 2021-September 2021 and 80 kids participated in summer school.

WOW PROJECT ACTIVITIES DURING COVID PERIOD

- Before covid, we had completed our PREPARATIONS and RECOGNIZE part of the Project activities.
- We restarted to implement some Project activities on March 2021 and we particularly completed most activities concerning RECYCLE and REUSE.
- However, we plan to conduct the REDUCE activities from now on since most of them needed cooperation with families.
- Similarly, we will start ROOT activities once we managed to deal with reduce activities.

RUBBISH FAMILY

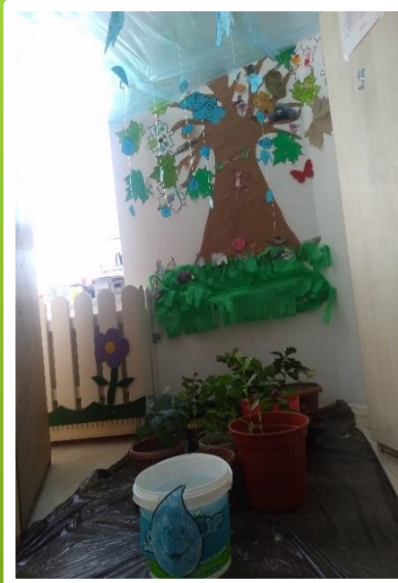

COMPOST WORKSHOP
